PROFESSIONAL EXPERIENCE

> UX ENGINEER

Bloxide | October 2024 - Present

- Designed concepts using Figma and translated them into responsive, interactive interfaces with front-end technologies such as HTML, CSS, and JavaScript, and frameworks like React.js and Vue.js.
- Ensured designs were both user-friendly and visually appealing, advocating for the user experience throughout the development process to maintain consistency across different devices and screen sizes.

> UX/UI DESIGNER

CoinKids | April 2023 - April 2024

- Improved the quality of user insights by developing a comprehensive research methodology.
- Enhanced user retention rates by addressing pain points and improving overall user experience.
- Reduced development time and costs by creating more efficient and scalable UI design solutions.
- Maintained design consistency and quality across the product by implementing a design system.
- Created user personas to improve stakeholder and team alignment.
- Enhanced website accessibility and usability by implementing best practices in web and UX design.

> UX/UI DESIGNER

Freelancer Team | August 2021 - November 2022

- Conducted and increased the number of user interviews per month.
- Boosted the adoption rate of new features/products by addressing user needs.
- Enhanced visual design and aesthetics, leading to a 15% increase in user engagement and satisfaction.
- Designed user-friendly interfaces based on user research and feedback.
- Improved team productivity and collaboration by implementing efficient design workflows and tools.

> SENIOR GRAPHIC DESIGNER, WEB DESIGNER, UX/UI DESIGNER

Media Innovation | March 2012 - March 2021

- Managed and executed design assignments, crafting engaging social media visuals.
- Produced concise and creatively animated videos.
- Collaborated with the marketing team to develop and solidify client brand identity.
- Developed wireframe concepts and designed website pages tailored to client requirements.
- Built and maintained multiple WordPress-powered websites.
- Improved visual design and aesthetics of products.

> WEB DESIGNER, GRAPHIC DESIGNER, MOTION DESIGNER, UI DESIGNER

Boston Caribbean Network | April 2018 - July 2021

- Designed visually appealing graphics to enhance social media branding and outreach.
- Created visually striking animated videos with concise storylines.
- Managed and maintained the organization's website.
